

Cottage Food—Farmer's Market  
Registration and Information:  
Mercer County Health Department  
7:00 a.m.- 6:00 p.m.

The 2012 Cottage Food Bill requires individuals selling baked goods, home prepared items and cut produce and spices/herbs to register their business with the County Health Department that the food is prepared in. The bill also requires the individual preparing the food to obtain an Illinois Foodservice Managers Certificate. Please drop-in anytime during the noted time to register and ask questions you may have. There is no registration fee, however registration is mandatory.
